

Medium Term Plan: Supporting Implementation of LTP/Progression Grid

Subject: UKS2 Year A– Dance

Key Concept- Concepts: Joy of movement, personal challenge, building resilience, Critical thinking, and action.

POS aims from NC:

Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating, and competing. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.

Pupils should be taught to:

- Use running, jumping, throwing, and catching in isolation and in combination.
- Play competitive games, modified where appropriate (for example, badminton, basketball, cricket, football, hockey, netball, rounders, and tennis), and apply basic principles suitable for attacking and defending.
- Develop flexibility, strength, technique, control, and balance (for example, through athletics and gymnastics)
- Perform dances using a range of movement patterns.
- Take part in outdoor and adventurous activity challenges both individually and within a team.

compare their performances with previous ones and demonstrate improvement to achieve their personal be.

Prior Learning (what pupils already know and can do)

- Pupils will know how to demonstrate agility, balance, and coordination.
- Pupils will know how to move in time to the music and use control when doing so.
- Pupils will have a good understanding of some key vocabulary for dance linking on from last year.
- Pupils will know to listen to sounds, music, words, and poems to generate ideas relating to a theme.
- Pupils will know how to listen and follow instructions,
- Pupils experimented with different ways of moving to music. Pupils learned through dance to negotiate space and obstacles safely; with consideration for themselves and others.
- Pupils created dances using a stimulus, they worked in small groups and began to evaluate and give feedback on performances. They were introduced to key movements in their dances including unison, canon, space, timing, levels, pathways, travel, direction.

Long-term Learning (what pupils MUST know and remember) End Goals

Vocabulary – Formation, timing, feedback, theme, unison, direction, CHANCE.

Pre-teach- Recap all sequences and class motif from previous weeks.

Future learning this content supports:

This unit will support future subjects Spring 2. It has helped to support and strengthen muscles, improve balance and flexibility. Helps pupils with spatial awareness and movement patterns which are necessary in every sport.

Cross Curricular Links: Literacy (key words), Citizenship (sportsmanship & cooperation), Science (muscle names, bodily functions, and healthy lifestyle consequences), Math's (measuring distances, collating data & comparing recordings against other bests).
