

Callands Community Primary School

Dear Parents and Carers,

As the countdown to Christmas begins, our little 'Callands Elves' have begun sprinkling a little bit of festivity around school. Our school Christmas tree was delivered on Friday and today children have started to decorate it. Don't worry if you forgot to send in a Christmas bauble with your child today, pupils can bring in a decoration up until Friday. The children in Reception and Key Stage One are busy rehearsing their Christmas performances and from listening to their songs, you are in for a real treat and one which will certainly get you into the festive spirit.

We work very hard to be a smart school where children can feel PROUD. An important part of this is our school uniform. Please remember that children are expected to wear black school shoes every day, unless they have PE, and not boots as these are uncomfortable when sitting on the carpet and can compromise safety when playing on equipment outside. Please also ensure children are bringing a book bag to school rather than a large rucksack as space in classrooms for storage is limited. Book bags can be purchased through any of our uniform suppliers.

Children have accessed a range of trips and workshops across this term to enhance their learning experiences. We regularly post news on social media to share what we have been doing. If you have not already done so, please follow us on Facebook to see updates on all the exciting things going on in our school. Thank you also for sharing your children's out of school achievements, this newsletter is a bumper edition of all the wonderful competitions and awards that children have earned during the last couple of weeks. Please ensure that when you email the office, you give as much detail as you can to let us know what your child has participated in and what we should be PROUD of.

I appreciate that mornings are a very busy time for all families but a reminder that school starts promptly at 8.40am for children in years 3, 4, 5 and 6 and 8.50am for pupils in Reception and years 1 and 2. We do have a 9-minute window prior to these start times, so that your child can come into school and be ready for learning. Please support your child by ensuring they arrive on time.

The Mental Health Team have asked me to send out an electronic survey to parents/carers, which they are conducting at every school. The link to the electronic questionnaire is below with the closing date that has been set for the questionnaires being the 8th January 2025. The more responses that come in the more valid the audit will be, providing a better picture of the current mental health and wellbeing status in schools across Warrington. The results will be given back to school during the Spring Term.

Finally, I hope you all had a lovely weekend, I have heard several stories from the children this morning of the festive army of elves arriving in your homes. I look forward to hearing about the nice and not-so-nice behaviour they witness, as well as causing some minor mischief of their own when backs are turned!
