

Callands Primary School

Forest Schools Ethos

At Callands Primary School Forest School sessions, we enable our pupils to embrace the learning opportunities of the natural world, through self initiated and self-directed play and learning that is supported sympathetically and non-judgementally.

Children learn practical and social skills and are taught to understand health and safety issues.

Children are supported to engage with and appreciate their natural world, to use the natural resources it offers and the endless opportunities it provides to become self confident and self efficient learners.

Pupils are encouraged and supported to become resourceful, resilient and reflective learners. They develop good relationships with each other and learn respect for everyone and everything that they engage with.

Forest Schools will enable every type of learner to achieve success and make rapid and sustained progress in their learning.

Pupils will become confident, happy and self-assured learners.

*Opening up the Pathway to
our learning*

*In a place of endless opportunities
where there is no roof, so there
are no limits!*
