

Forest Schools Circle Time Song

To help embed the philosophy behind Forest Schools and to help reinforce safe behaviour, we sing this song at the beginning of every session during our circle time gathering.

In Forest Schools, in Forest Schools,
We make a vow, we make a vow,
We promise to try our very best,
To follow the rules which keep us safe,
We always stay where we should be in forest schools, in forest Schools.

In Forest Schools, in Forest Schools,
We have fun, we have fun,
We learn and play with all our friends
We pass a smile and lend a hand,
We always work in harmony in Forest Schools, in Forest schools.

In Forest Schools, in Forest Schools,
We play safe, we play safe,
We listen carefully to safety rules,
We take great care when using tools,
We always walk and take our time in Forest Schools, in Forest Schools.

(To the tune of Three Blind Mice)
